### Dear Potential Sponsor,

The Chester County EMS Council Inc. is thrilled to announce its annual Awards Celebration, dedicated to honoring the outstanding contributions of our prehospital professionals. **This special event will take place on May 22nd at 6:00 PM in the Red Clay Room at the Kennett Fire Company.** During the ceremony, we will recognize the heroic efforts of many EMS providers for their exceptional service in 2024, showcasing how their swift actions have positively impacted the lives of residents across Chester County. Did you know that our 911 Emergency Medical Services managed an impressive 50,680 emergency calls in 2024 alone? From this volume, 37,080 patients were successfully transported to 31 different medical facilities across Pennsylvania, Delaware, and Maryland.

This robust framework of care is supported by a dedicated team of over 1,500 certified EMS providers, all working tirelessly to maintain the health and safety of our community. To provide further insight into our vital services, here's the breakdown of dispatches by some of our common dispatch categories:

- Motor Vehicle Accidents: 15,093
- Cardiac/Heart Emergencies: 5,102
- Respiratory Distress Calls: 6,298
- Mental Health Problems: 2,678
- Overdoses: 1,262

The staggering number of 911 medical emergencies in 2024 reflects a heightened call volume for EMS services, underscoring the critical need for community support. This event presents a unique opportunity for you to stand alongside these dedicated professionals, celebrate their exemplary work, and show your commitment to public safety. We invite you to consider our various sponsorship levels, each offering distinct benefits that will enhance your visibility and engagement within the community.
